BAROLO BAUDANA

"The 2016 Barolo Baudana is laced with sweet red cherry, floral overtones and silky tannins, all of which make it one of the more refined, sensual Serralunga Barolos readers will come across. In this tasting, the Baudana impresses with its haunting aromatics and transparent expression of Nebbiolo. Like all of these wines, it needs time in bottle but it is super impressive, even in the early going."

BAROLO CERRETTA

"The 2016 Barolo Cerretta is dark, virile and imposing. Black cherry, lavender, scorched earth, cloves, leather and a range of balsamic notes give the Cerretta its somber, virile feel. Ample and powerful yet also medium in body, the Cerretta captures so much of what makes Nebbiolo so captivating, specifically the ability for a wine to constantly transform in the glass."

BAROLO SERRALUNGA

"The 2016 Barolo del Comune di Serralunga d'Alba is a gorgeous entry-level wine in this range. Sweet floral and savory notes open up first, followed by hints of scorched earth, graphite, iron and blood. Deceptive in its mid-weight structure, the 2016 packs a serious punch of both Serralunga depth and complexity of aromas and flavors. This is very nicely done"
