"The 2019 Vajra Rosabella, this year is a blend of 90% Nebbiolo and 10% Barbera, lifts from the glass with a remarkably pretty yet understated display of ripe pear offset by white smoke minerality, a hint of lime, and spring florals. On the palate, it coasts across the senses, delivering a more tart fruit sensation, further accentuated by saline-minerals and brisk acids. The finish is medium in length, yet buzzing with energy and neatly framed by hints of lemon and green apple."

Eric Guido, Vinous

"Wow, the 2019 Vajra Clare JC explodes from the glass with masses of crushed raspberry and strawberry fruits, complicated by sweet and savory herbs, along with crushed stone minerality. On the palate, fleshy textures are quickly firmed up by a mix of tart red berries, with zesty acids, a slight frizzante spritz, and a coating of liquid violet florals. The finish is long and lightly structured, displaying a lasting and unmistakable note of red licorice with hints of spiced orange. This is wonderfully expressive and bridges the gap between Red and Rosé; please pour me another."

Eric Guido, Vinous

"The NV Vajra N.S. Della Neve is remarkably pretty, lifting from the glass with a display of dusty roses and crushed raspberry, offset by hints of lime and subtle sweet spices. It coasts across the senses, intensely mineral and almost salty yet vibrant, with a soothing bead of bubbles and brisk acids adding to its incredibly fresh character. The finish is long and floral, with hints of ripe orchard fruits, as the mouth waters for another sip. This blend of Nebbiolo and Pinot Noir comes across as highly energetic, refined, perfectly dry and just begging to be paired with all sorts of summertime cuisine."

Eric Guido, Vinous
