

LUIGI BAUDANA

Barolo 2016

**LUIGI BAUDANA
BAROLO CERRETTA**

“There is generous black fruit in there as well, carefully woven into the greater texture of the wine. The tannins are accessible and integrated, and that’s an important fact to know when measuring the wine’s drinking window. You could age it longer or even contemplate a cork-popping in the not-so-distant future”

BAROLO BAUDANA**

“The 2016 Barolo Baudana is laced with sweet red cherry, floral overtones and silky tannins, all of which make it one of the more refined, sensual Serralunga Barolos readers will come across. In this tasting, the Baudana impresses with its haunting aromatics and transparent expression of Nebbiolo.”

**LUIGI BAUDANA
BAROLO SERRALUNGA**

“Fragrant aromas of blueflower, forest-berry menthol form the enticing nose. Smooth, taut and delicious, the focused palate delivers juicy Marasca cherry, spiced cranberry and star anise alongside firm, polished tannins and bright acidity.”
